
STAR WARS: DARTH VADER #44 REBELS 10TH ANNIVERSARY VARIANT COVER BY CASPAR WIJNGAARD

SABINE WREN

I sense the force, in you, Young Padawan.
"Strength."
"Chosen One, Perhaps."

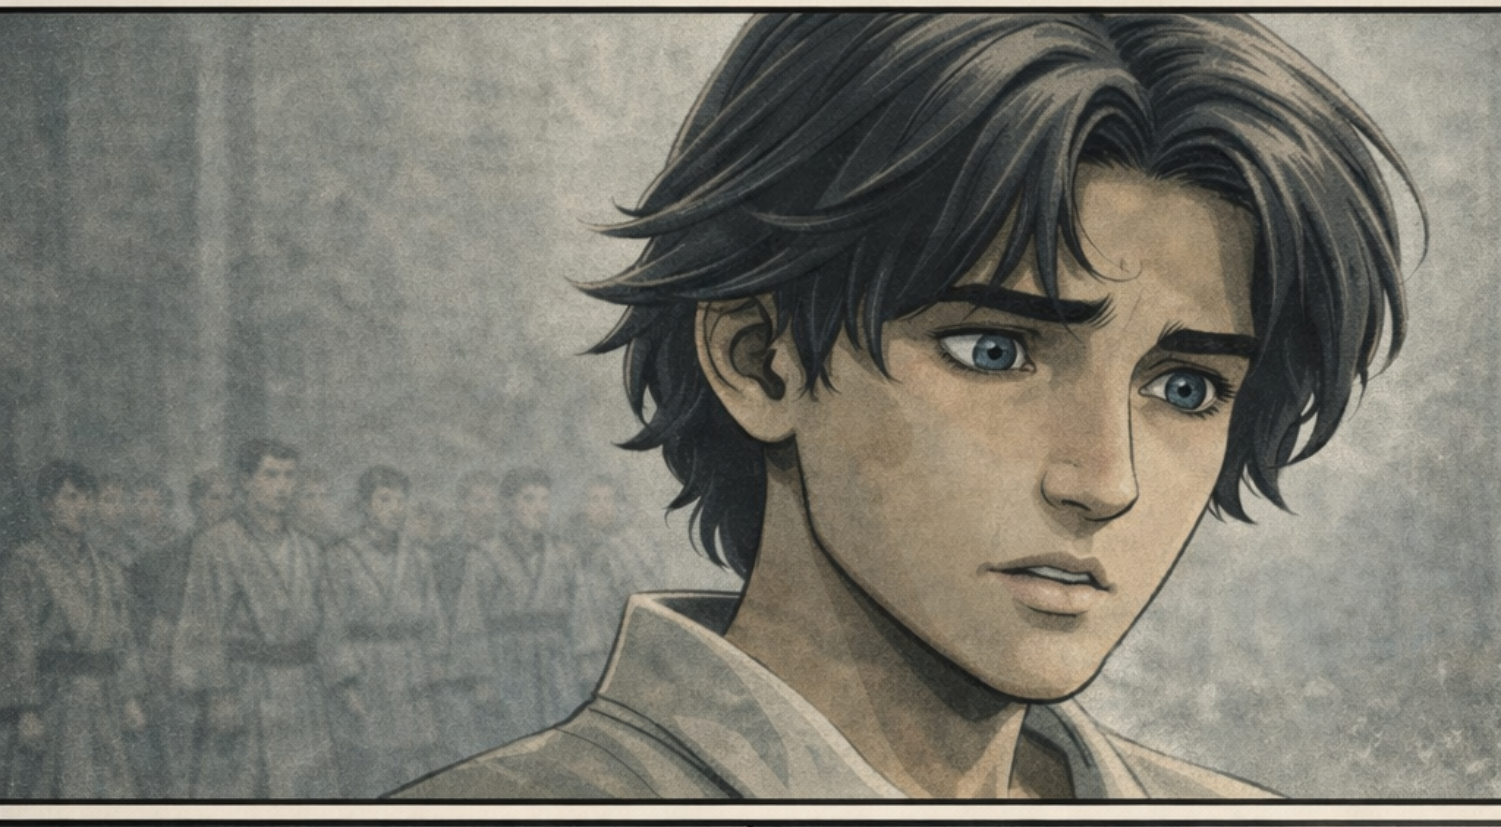
They decided before I did.

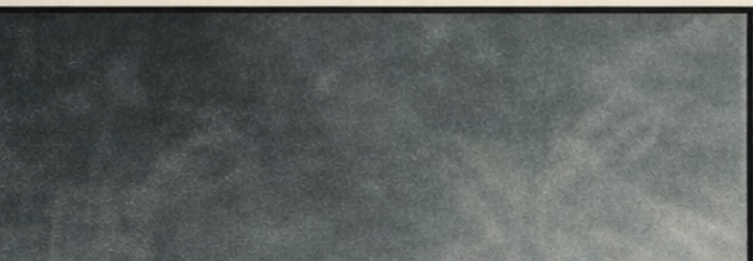
There he is
You're ready to be a JEDI Knight. I always knew it.
I didn't ask for this.

The Jedi have a responsibility.
When we're called, we answer.
It's bigger than us.
It always has been.
"Okay."

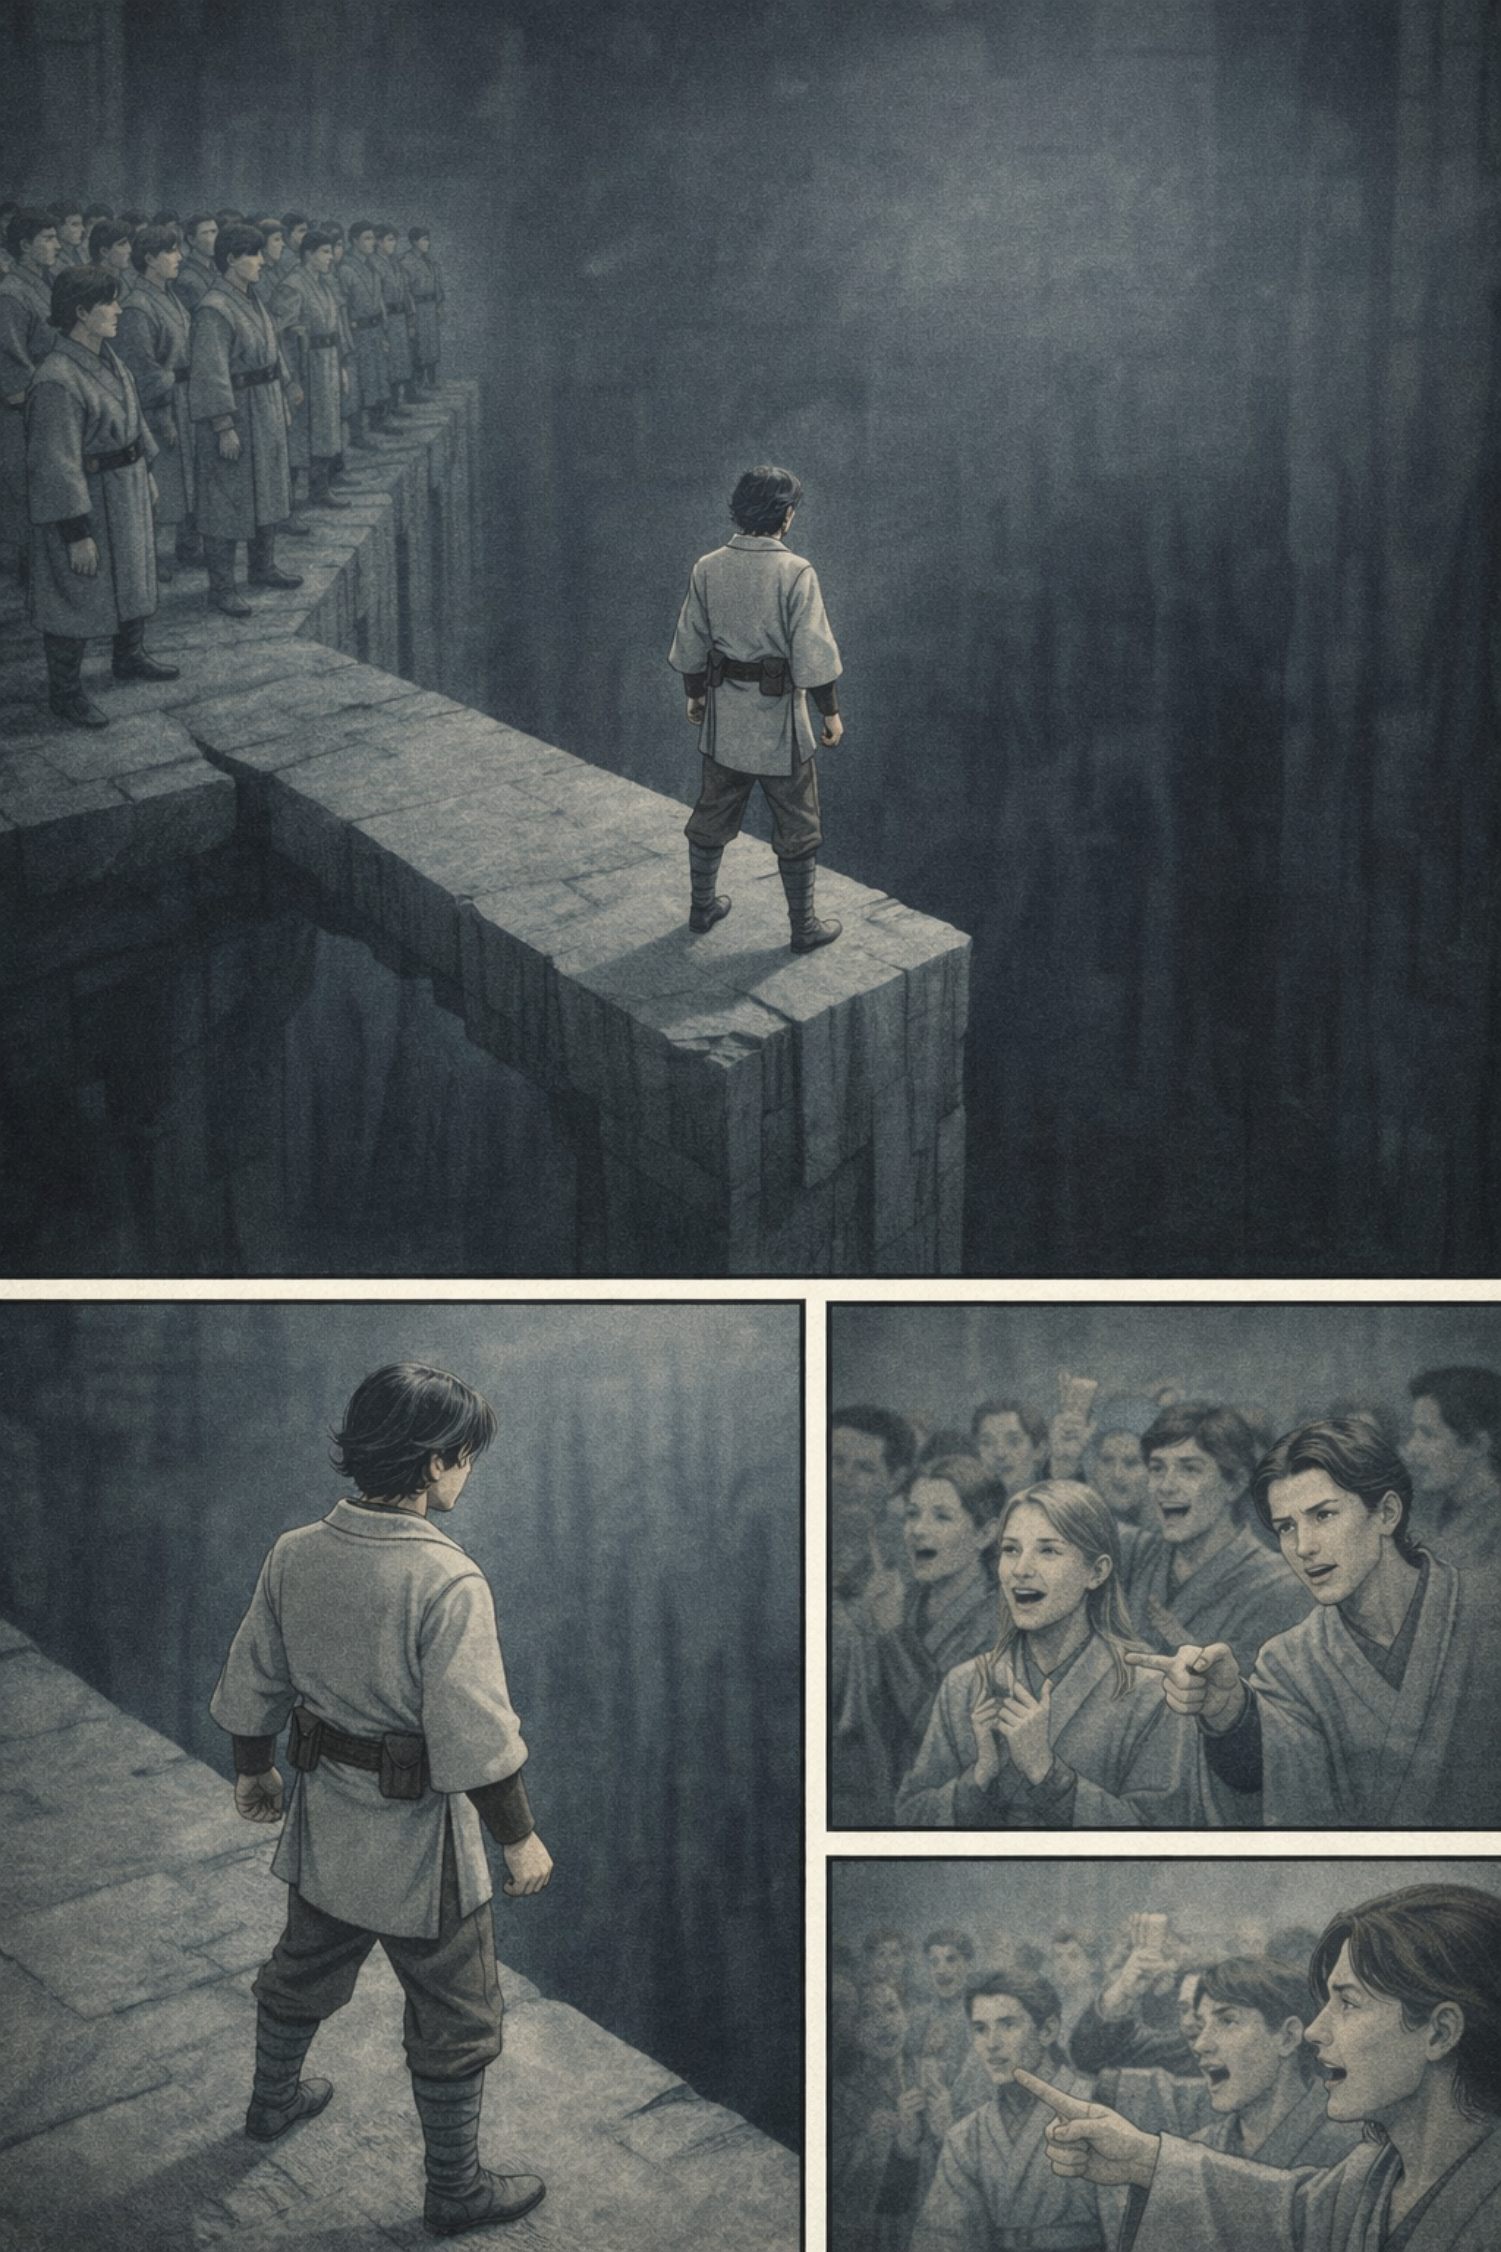
LADIES AND GENTLEMEN... WELCOME TO THE JEDI TRIALS.
WELCOME... TO THE JEDI TRIALS.
"So this is it, huh. Alright then.

TRIAL OF SKILL
"Okay... not me.

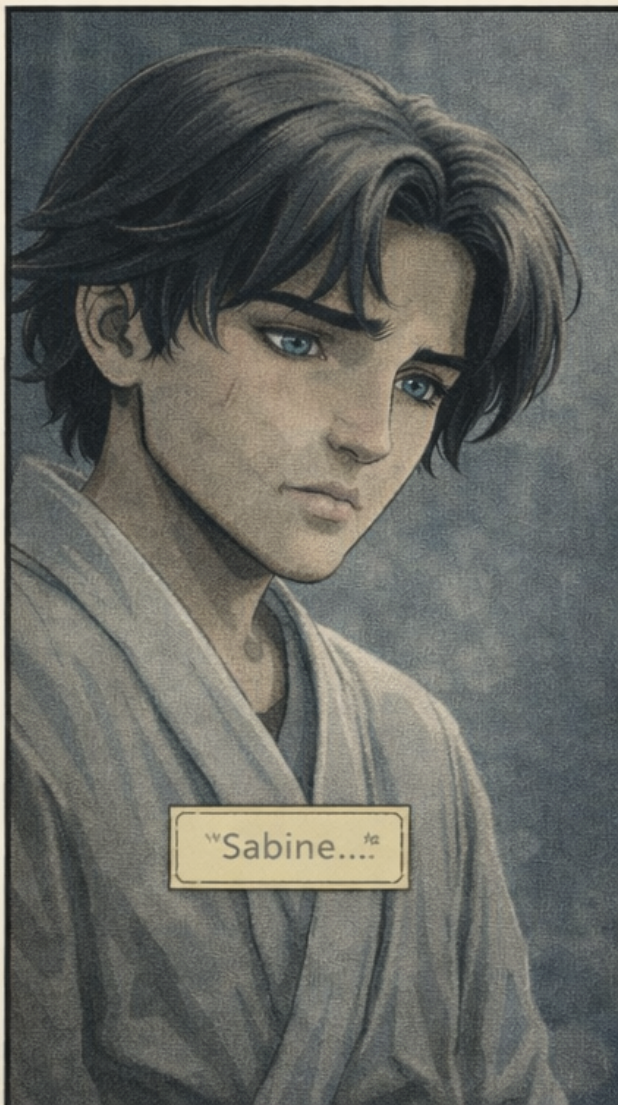




AND THE VICTOR GOES TO EZRA BRIDGER!
When did I learn that move? Huh?



"Okay..."

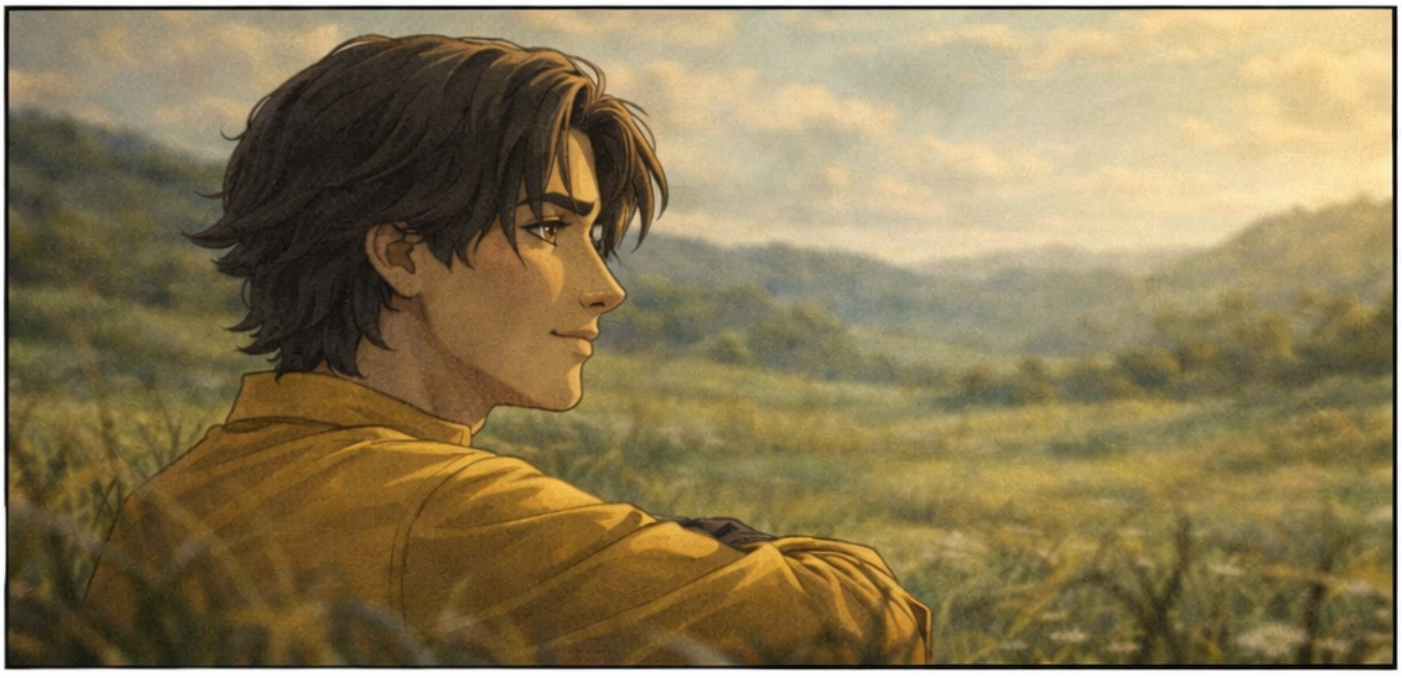


"Sabine...."

"Sabine....

WELL...LOOK WHO SURVIVED.
BAREII.

YOU MISSED.
I WAS TRAINED FOR WORSE.
SURE YOU WERE.

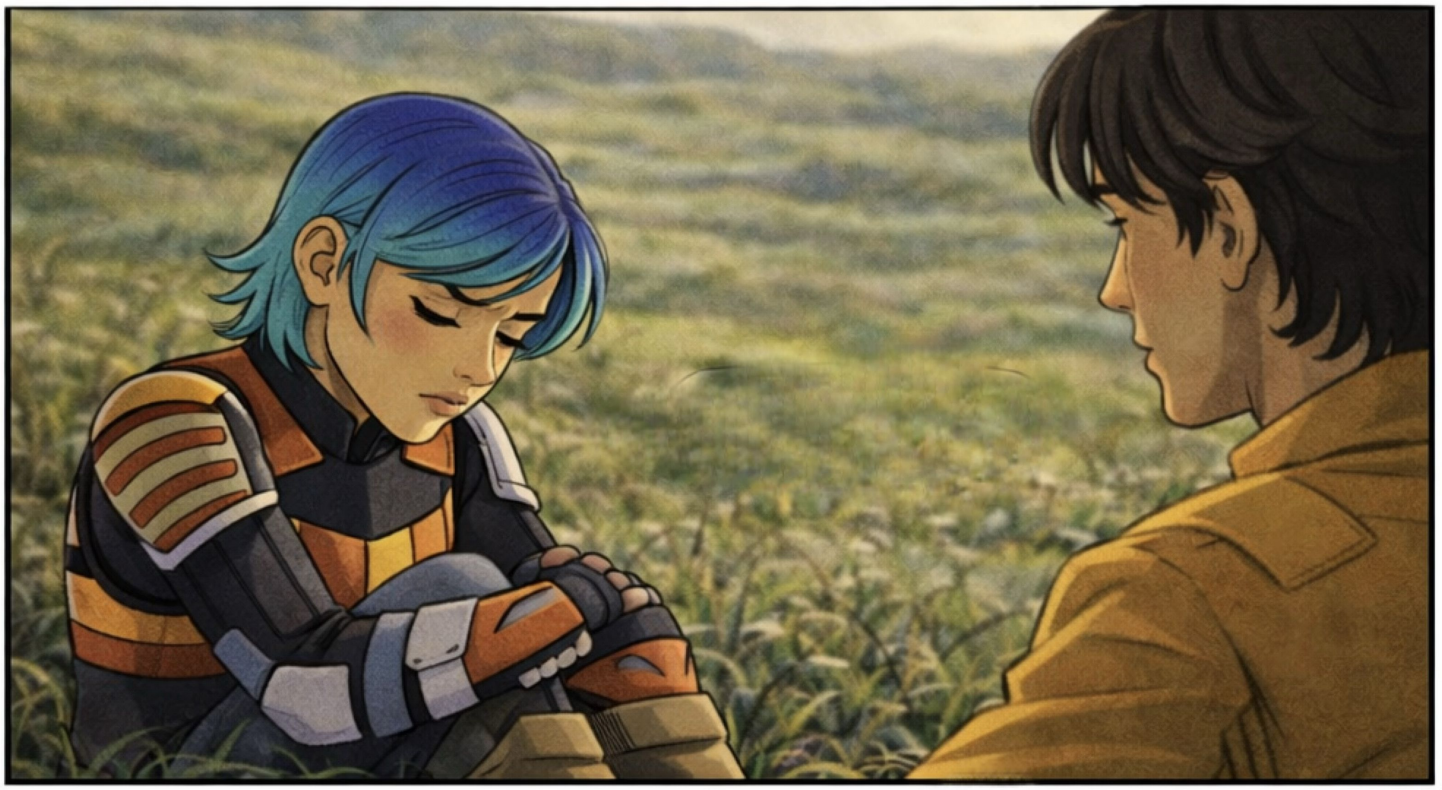


They... started the Trials.

And?

I passed the first two.
“ I don’t really know how.

Hey.



You'e already moving.

I can feel it.

"Moving doesn't mean leaving!"
Too quicklly.
I know.
BEAT.
Tthat's not what I'm afraid of."
"...Then what is it?."

"You're ready for something I'm not."
You don't have to be ready– for everything.
We can just--
you're a Force-sensitive, aren't you?

You don't have to become a Jedi.
You don't have to do the Trials.
You can just... be with me.
NO, EZRA! NO!

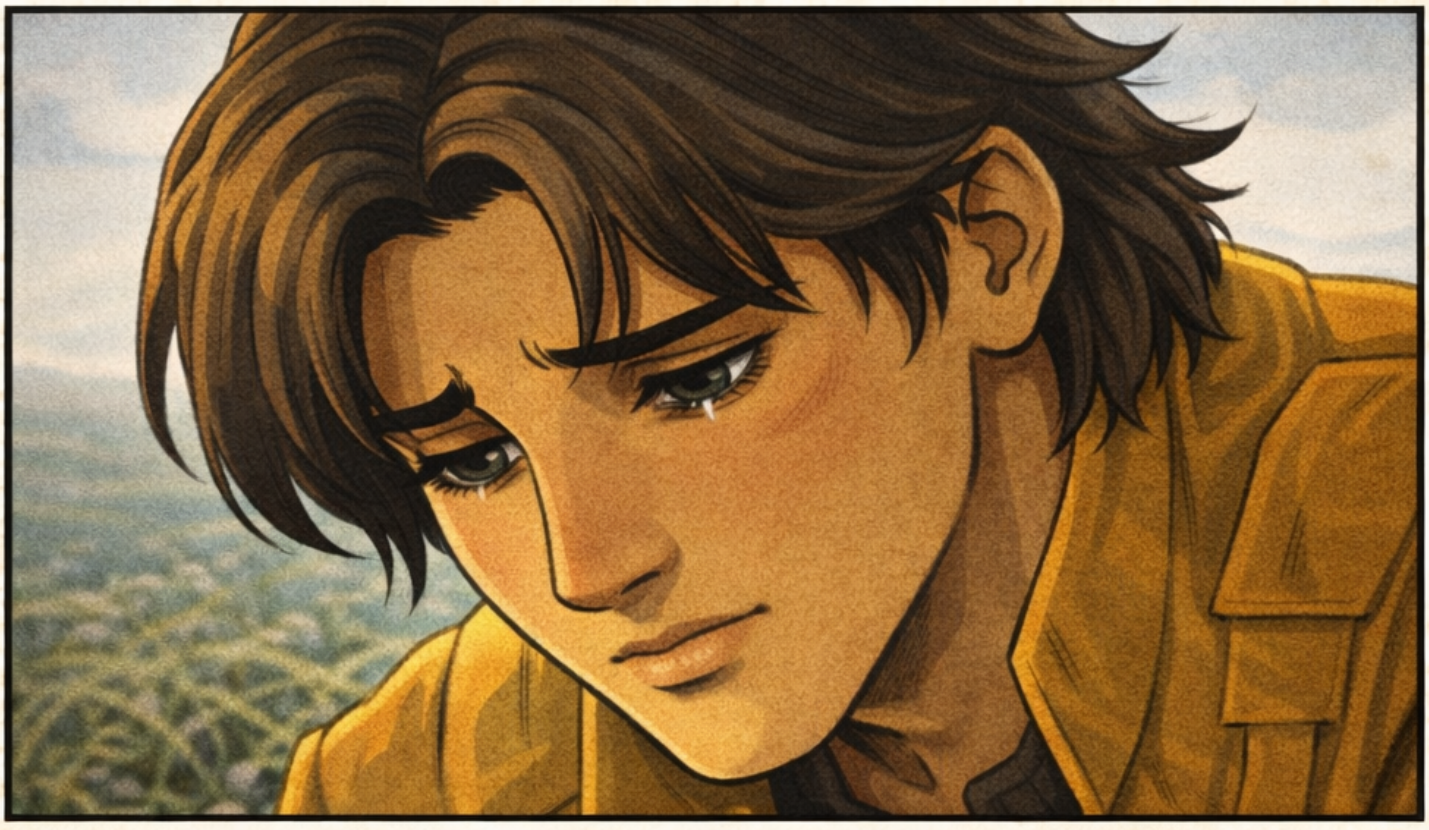
I don't understand, why won't you just give us a chance?
It's not about rules.
It's about what happens to me when I get close.
That's fine, I don't care about rules either... I—

I don't get it.
You keep saying you're not ready--
What does that even mean?
Can't you just... take a risk for once?
Stop.

It's just...
Silenee stretches.
When I feel it...
There's weight.

It's heavy.
Grief.
Pain.
Everything at once.
And I know--
If I try right now...
If I try right now...

...itll crush me.



I'm sorry..
I'm sorry..

You're going to be okay.
